Kristen, I would be glad to. I'm on travel and I will be back in the office on thursday. Please ask her to fax her lab results to my office. 3128866066. Thanks. Michelle

Michelle,

I had two vms from Jacki Schilke this weekend. She does not trust her pcp and would like to speak to you directly about her health concerns. Are you willing to speak to her? If so her home number is 701-826-9069 and cell phone is 701-570-5755.

Thanks,

Kristen
